OINTMENT

It is idle to make promises without performance, and it is folly to make claims that do not rest upon the firm foundation of basic truth. The proprietors of E. L. M. Ointment, "The Healer of Skin Diseases," know that this preparation is accomplishing wonders in the treatment of skin diseases. The following testimonial is evidence of what E. L. M. Ointment does: "2 Melvin street, Wakefield, Mass.—My little child. Is months old, had sores break out all over his face, arms, limbs and body, from head to feet; he was a complete mass of sores, many of soston, and they tailed to give him, even temporary relief. A friend advised me to try E. L. M. Ointment, which I did, and after two weeks' treatment all the sores were completely healed and his skin restored to its healthy condition. He now eats and slreps as a contented child should. I am positively sure that E. L. M. Ointment saved my child's life. (Signed.) Mrs. Ruffaele Maurielle." E. I. M. Ointment is a lighly effective remedy for all diseases of the skin. Price 25c. All druggists.
